One Italian summer / Rebecca Serle

When Katy's mother dies, she is left reeling. Carol wasn't just Katy's mum, but her best friend and first phone call. She had all the answers and now, when Katy needs her the most, she is gone. To make matters worse, the mother-daughter trip of a lifetime looms: two weeks in Positano, the magical town where Carol spent the summer before she met Katy's father. Katy has been waiting years for Carol to take her, and now she is faced with embarking on the adventure alone. But as soon as she steps foot on the Amalfi Coast, Katy begins to feel her mother's spirit. Buoyed by the stunning waters, beautiful cliffside, delightful residents, and - of course - delectable food, Katy feels herself coming back to life. And then Carol appears, healthy and sun-tanned... and thirty years old. Katy doesn't understand what is happening, or how - all she can focus on is that somehow, impossibly, she has her mother back. Over the course of one Italian summer, Katy gets to know Carol, not as her mother, but as the young woman who came before.

Katy's mom, Carol Silver, was her whole world. So, when she dies, Katy is bereft. Then, the tickets that she bought for their trip to Italy arrive and Eric, Katy's husband, urges her to go. Katy tells Eric that she doesn't know what is left for them as a couple anymore. Katy leaves for her trip to Positano. While she is in Italy, she meets a woman, Carol, and Katy recognizes her as her own [read more](#)

Review by rmarcin (LibraryThing)

After her mother dies, Katie decides to take the trip to Italy that they were suppressed to take together. The relationship between mothers and daughters is so complicated and this book reflects that. Katie's codependency was exhausting at times, but I loved seeing her begin to understand her mother as a woman, not just a parent. No one else can make you happy. Figuring out who you are as [read more](#)
